Excellent – thanks, Cindy! I really appreciate you working on this so quickly. I've attached the current version of 114. Do you think you'd have time to take a look at it within the next day or two – just want to make sure we're not missing any crucial information that you might have learned from your conversation?

Hoping to have this routing by Monday.

Thanks,

Sara

Sara –

I've input our inspections in Joe's database at:

I:\Restricted Share\CAA Oil and Gas\UintaBasin2019\Aug2019TripBeelerNorth\ReportingTool\_CKB.accdb

If you selected "Inspected Sites" on left menu when you open the Access database – our 40 sites last week will be at the end of **Ex. 7(A)** observed.

Alternatively, my spiral bound notebook (8-1/2 x 11) **Ex. 7(A)** is in my office on the counter.

**Subject:** **Ex. 7(A)** 114

Hey ladies –

We're trying to **Ex. 7(A)** put the door sometime in the very near future, and I wanted to update our request with the **Ex. 7(A)** section trip at which you observed emissions. Can either of you provide me with a list of those facilities that should be added to the 114 (or direct me to a place where I can find them)?

Thanks,

Sara
